Such review will ensure that the issue has been addressed in sufficient detail so that the Agency members may be fully apprised of the matter to be presented. Persons will be allowed three (3) minutes to make their presentation and will be limited to those subjects included in their written request. Such written requests must be received in the Executive Director's office no later than noon on Tuesday of the week prior to the scheduled Agency meeting to allow time for processing and inclusion in the agenda package.

## REDEVELOPMENT AGENCY MEMORANDUM

**To:** Chairman and Members of  
the Miami Beach Redevelopment Agency **Date:** October 13, 2004

**From:** Jorge M. Gonzalez  
Executive Director 

**Subject:** **REPORT OF THE ITEMIZED REVENUES AND EXPENDITURES OF THE  
MIAMI BEACH REDEVELOPMENT AGENCY FOR THE ELEVEN MONTHS  
ENDED AUGUST 31, 2004**

On July 15, 1998 the Chairman and Members of the Board of the Miami Beach Redevelopment Agency resolved that an itemized report of the revenues and expenditures of the Miami Beach Redevelopment Agency, with respect to each redevelopment area, would be made available to the Chairman and Members of the Board of the Miami Beach Redevelopment Agency at the end of each month. Further, it was resolved that such report would be made available no later than five days prior to the second regularly scheduled Redevelopment Agency meeting in the month immediately following the month for which such report is prepared and that the report would be placed on the Redevelopment Agency Agenda for the second meeting of each month as a discussion item. Because the distribution date for the second Commission meeting of some months falls prior to our receipt of bank statements for the month, we advised on October 21, 1998, that beginning with the report for the month ending October 31, 1998 all monthly Redevelopment Agency reports would henceforth be included as part of the agenda for the first Commission meeting of each month.

The attached material includes the following:

#### **Project**

#### **Status - as of 8/31/04**

##### **Courts and Cosmopolitan Project (Formerly the Courts of South Beach)**

A Mediterranean town-house development located between First and Second Streets and between Alton Road and Washington Avenue. The project is the subject of a Development Agreement, executed by the RDA in 1989. Phases I, II, III and V, made up of residential and commercial are complete. Phase IV, consisting of 231 residential units and 10 commercial units is expected to be completed by Spring 2004.

In conformance with the original Development Agreement, the developer completed construction of a Piazza/bus station shelter located on Alton Rd. at 2<sup>nd</sup> Street which includes landscaping and pavers. Additionally, the developer has commenced streetscape improvements to be constructed from Meridian to Washington on 1<sup>st</sup> and 2<sup>nd</sup> Streets. Streetscape improvements will include new paving, sidewalks, drainage and landscaping.

Since the execution of the original Development Agreement, the development rights have transitioned to two additional developers. Groupe Pacific is currently the Developer of Record.

**Total Project Cost:** Est. \$100 Million

**Total CRA participation:** Est. \$16.5 Million - Land acquisition and related administrative and construction expenses.

##### **Library Project**

##### **Community/Victory Garden**

In an effort to provide increased parking in the South Pointe area, and in an effort to maximize the future use of City assets, the Community Garden located at 131-139 Washington Avenue will be moved to 224 Collins Avenue. From March 2001 through September 2001, several Community meetings were held to discuss this issue with residents and City Staff.

## Status - as of 8/31/04

### Community/Victory (con't)

In January 2002, an Architectural and Engineering Firm (Coastal Engineering) was selected and an agreement in the amount of \$16,120 was executed, and on March 19, 2003, the Board ratified the selection of Andrew Reid as the artist for the project as recommended by the Art in Public Places Committee for a fee of \$33,800. The Garden project, which was constructed through a JOC Contractor, has been completed and final certificate of Occupancy has been obtained. The fence, already designed and permitted, is currently under fabrication. Installation is scheduled for November 2004.

**Total Project Cost:** Est. \$168,800

**Total CRA participation:** Est. \$168,800

### Portofino

Development of the Miami Beach Marina (SSDI North & South) and several other properties owned by the Portofino Group in the South Pointe Area. Portofino's properties west of Washington Ave. are subject to a DRI and their development is conditioned by a Settlement Agreement with the RDA (1998). The first phase involving Portofino Tower, a 228-unit luxury condominium was completed in 1997. The second phase is the Yacht Club at Portofino a 361-unit luxury condominium, on the south part of the Marina (SSDI South), and the adjacent Murano Tower, a 189-unit luxury condominium, which was completed in 2002. The RDA's responsibilities relative to these developments include the reimbursement to the Developer for utility relocations, the completion and repair of the seawall and baywalk, public parking for the Marina (located in the first floor of each of the projects' parking garages) and certain streetscape improvements. The third phase, involving the construction of two luxury condominium towers, Murano Grande and Icon, which will house approximately 555 units, is underway. Murano Grande is in the process of obtaining a final CO. The construction of the ICON project is expected to take 12 months to complete.

**Total CRA participation:** Est. \$14 Million - utility relocations, completion and repair of the seawall and baywalk, public parking for the Marina and certain streetscape improvements.

### Temporary Alaska Parcel Baywalk

In connection with parking lots constructed south of South Pointe Drive, and pursuant to a Planning Board Order issued on August 22, 2001, the property owner of the Alaska Parcel agreed to grant the City/RDA a temporary non-exclusive baywalk access easement over and upon the setback area solely for the purposes of public access and to allow the City/RDA to construct, operate and maintain a temporary baywalk for the duration of the period of time that the Alaska Bayfront Assemblage is utilized for temporary parking purposes. Consequently, on May 29, 2002, Resolution 421-2002 was passed appropriating \$171,000 from South Pointe Tax Increment Funds for the construction costs of a temporary

pedestrian baywalk. On March 19, 2003, Resolution 447-2003 accepted a grant of a temporary baywalk easement, and further appropriated an amount not to exceed \$60,000 for the operation and maintenance of the baywalk. Construction of the temporary baywalk was completed in August, 2003.

**Total CRA participation:** \$231,000 for construction, operation and maintenance of baywalk.

**Streetscape Improvements**

A \$27 million streetscape improvement project for the South Pointe Area, based on a Master Plan and preliminary design by Duany Plater-Zyberk and endorsed by South Pointe Advisory Board; Phase I of the streetscape improvements, comprising Third Street and Washington Avenue, including its two-block extension in South Pointe Park, was completed in October 2002. On September 25, 2002, the Commission approved an A/E services contract with Wolfberg Alvarez in the amount of \$469,634 for the planning and design of Phase II of the project. On February 4, 2004, the Commission approved the Basis of Design Report for Phase II and construction design is currently at 30% completion. Phase II construction is expected to begin in mid-2005 and will require approximately 16 months to complete. An RFQ was issued for AE services for Phases III, IV, and V of the project, and a selection process was undertaken, resulting in the City Commission authorizing negotiations with Chen and Associates on September 8, 2004.

**Relocation of 72" Drain Pipe**

The relocation of a 72" drainage pipe and corresponding outfall, along the south side of the MacArthur Causeway, from Alton Rd. to the water commenced in May 2003, and was completed in July, 2003.

**Total Project Cost:** Est. \$30 Million

**Total CRA participation:** \$30 Million

**South Pointe Park**

Preparation and implementation of Master Plan for South Pointe Park, funded by a combination of tax increment and GO Bond funds. The project will include landscaping, lighting, pedestrian paths, parking and maintenance facilities. An RFQ for required design services was issued in early 2003 but responses were subsequently rejected when it was determined that the size and shape of the park property was likely to change as a result of the Portofino settlement agreement. A settlement agreement was approved on July 28, 2004. New RFQ issued September 20, 2004.

**Total Project Cost:** \$5.2 Million

**Total CRA participation:** \$3.2 Million

**Project**

**Status - as of 8/31/04**

**Waste Water Master Booster Pump Station**

In order to address the City's need for a waste water master booster pump station, a design consultant is in the process of designing the facility on the city-owned triangular property which fronts Alton Road, between First Street and Commerce Street. The City has negotiated an Amendment to the Architectural and Engineering Agreement to re-design the Project to consolidate the size of the building and its location on one site versus two, while maintaining a façade that adapts to the neighborhood. The Amendment was approved at the September 8, 2004 Commission Meeting and is currently being executed. CDM has commenced the design process which is scheduled to be completed within ten (10) months. Once the design has been permitted, it will be Bid shortly thereafter. This project is being fully funded through funds from the RDA.

## REDEVELOPMENT PROJECTS (Planned and/or Underway)

### City Center Projects:

#### Project

#### Status - as of 8/31/04

##### Beachwalk Project

An at-grade, landscaped pedestrian beachwalk, connecting 21st Street to Lummus Park, designed and engineered by Coastal Systems International. The Project was permitted by the State of Florida in March, 1998. The Project was contested by a property owner and was stalled for almost 5 years in court. In November, 2001, the City received a Partial Notice to Proceed from the State of Florida as a result of a favorable finding for City by the courts. The full permit was issued in April 2002. Plans and bid specifications for the Beachwalk as well as the street-end improvements for 17th and 18th Street street-ends, which are part of the Beachwalk, have been updated and completed by the Architect. The Project was put out to bid during the last week of August 2002. Proposals were received during the last week of October. On November 13, 2002, the RDA awarded a contract to R. L. Saum Construction Co. to proceed with the project and appropriated \$3.7 million. Construction began during mid-March 2003 and is being phased as to mitigate adverse impact to area hotels and businesses fronting the beach. The project is anticipated to be substantially complete in July/August 2004.

**Total Project Cost:** \$4.5 Million

**Total CRA participation:** \$4.5 Million - Construction

##### 17<sup>th</sup> & 18<sup>th</sup> Street-end Project

The current layout of the 17<sup>th</sup> and 18<sup>th</sup> Street street-ends poses severe limitations for traffic circulation and parking, especially as it relates to the operations of the Delano and Ritz Plaza Hotels. Coastal Systems contract for the design of the Beachwalk was amended to include the development of conceptual plans and cost estimates for the extension of 17th and 18th Streets, seaward to the ECL. Coastal Systems is recommending extending and reconstructing both street-ends to match the Boardwalk motif. The street-end cul-de-sacs are proposed to be relocated approximately 50 to 70 feet east, respectively, to enhance the conditions of the streets and improve the street-end layout. Extension and reconstruction of the two street-ends will require demolition and reconstruction of the public right-of-way with new curbing, paver block sidewalks, asphalt pavement, striping and signage. Construction Drawings and specifications have been updated to reflect FDOT improvements and tie-ins on Collins Avenue. The Street-end Project was originally bid as part of the Beachwalk Project and was to commence during Summer 2004, however due to certain event-related conflicts involving area hotels, the Project will most likely be put off till the next fiscal year and be awarded to a JOC contractor.

**Total Project Cost (est):** \$750,000

**Total CRA participation:** \$750,000 - Construction

### Collins Park Cultural Center

Implementation of a Master Plan calling for the development of a new regional library, streetscape and park improvements to link cultural activities in the area, including the Bass Museum and the Miami City Ballet. Land acquisition through eminent domain was completed in January 2002 and construction documents for the remaining portions of the Cultural Campus as identified in the Master Plan have been completed. On April 10, 2002, the City awarded the construction contract for the Library to the Tower Group. Construction began in May 2002 and achieved substantial completion in November 2003. A temporary certificate of occupancy (TCO) remains pending subject to the resolution of certain code requirements. Negotiations with Stern Architects failed to reach an agreement for the design of Collins Park. As such, the scope of work for the Park was included in the Request for Qualifications for the Rotunda, which is part of the old library that will be preserved and converted into a public venue for performing arts and public functions. An RFQ process has resulted in the selection MC Harry & Associates to undertake the design process. Contract negotiations were finalized and award of A/E Agreement was approved on July 28, 2004.

**Total Project Cost:** \$11.6 Million – includes land acquisition, streetscape and surrounding infrastructure improvements.

**Total CRA participation:** \$8.5 Million.

### Colony Theater Project

The City has engaged the State of Florida's Department of Management Services to manage the restoration and renovation of the Colony Theater. Preliminary plans called for the removal of the rear 45 feet of existing building, construction of a new stage house, small second and third floor service areas behind the stage, a fourth floor "Backstage" area, elevator, stairs, and the addition of a new vestibule and exterior access ramp to provide ADA access to the stage. The historic preservation scope involves removing the existing marquee and storefront on Lincoln Road and restoring it to its original historic appearance and modifying the interior lobby, office and concession area to be more consistent with the building's original design. Construction drawings were completed on April 29, 2002. Due to delays with structural reviews and permitting, the Project start-up was delayed by approximately 6 months, beginning in late November, 2002, and is anticipated to be substantially complete by early 2005. To date, demolition of the main stage house, as well as, non-historic portions of the lobby are completed. Vertical construction on the site of the new stage house is well underway. On March 17, 2004, the RDA had to appropriate an additional \$1.6 Million towards the project to compensate for the loss of \$500,000 in State grant funds and to address certain unforeseen project costs, which is not untypical of historic renovation projects.

**Total Project Cost:** \$6.3 Million

**Total CRA participation:** \$4.5 Million - Construction

### New World Symphony

The Administration has successfully negotiated a Lease and Development Agreement with the New World Symphony (NWS) regarding its proposed lease of a portion of the 17th Street Surface Parking Lot to accommodate its Sound Space design concept (the Project). As envisioned, the proposed 50,000 square foot facility will provide state-of-the-art communication and media capabilities with performance, classroom, rehearsal and broadcast space. In addition to providing a world-renowned, state-of-the-art facility, another focal point for the community, and the basis for considering the facility's location on this site, is that it will incorporate giant video screen(s) on one or more facades of the building, allowing the public to view live and recorded broadcasts from around the world. The Master Plan contemplates situating the facility on the west surface lot, just to the north of the existing NWS Theater on Lincoln Road. On July 30, 2003, the Development Agreement between the City of Miami Beach and the New World Symphony, following a duly noticed public hearing, was approved on first reading. A second and final reading of the Development Agreement was held on September 10, 2003, together with a Resolution approving a Lease Agreement, following a separate public hearing. The NWS engaged world-renowned Architect, Frank Gehry to spearhead the design of the project.

Conceptual design alternatives for the proposed project have been submitted for review by the City Manager were subsequently reviewed by the Planning Board on May 25, 2004. On July 28, 2004, the plans will be submitted to the City Commission, to consider the recommendations of the Planning Board and to select one of three proposed alternatives.

Separately, but related to the implementation of the 17<sup>th</sup> Street Master Plan and the realization of NWS' plans, proposals have been received in response to an RFQ for architectural and planning services for the programming and design of the City Hall Expansion Lot parking facility. On February 4, 2004, the City Commission authorized negotiations to proceed with the firm of Perkins and Will.

**Total Project Cost:** Soundspace - Min. \$40 million; Parking component - \$5 million; Park component - \$10 million  
**Total CRA participation:** TBD

### City Center Right-of-Way Improvement Project

The City Center Right of Way (ROW) Infrastructure Improvement Project is a \$19 million infrastructure project which includes the restoration and enhancement of right-of-ways/streetscapes throughout City Center, including roadway, sidewalk, curb and gutter, landscape, streetscape irrigation, lighting, potable water, and storm drainage infrastructure as needed. The estimated budget for the project is \$19,000,000. The estimated construction budget for the project is approximately \$17,000,000 which includes \$9,000,000 for streetscape; \$7,000,000 for stormwater improvements; and \$1,000,000 for water improvements.

**City Center Right of Way Improvement Project (con't)**

Proposals were received in response to an RFQ for architectural and engineering services for the planning and design of the project. The selection process resulted in a contract award to Chen and Associates by the City Commission on September 8, 2004.

**Total Project Cost: \$19 million**

**Total CRA participation: \$19 million**

**Botanical Garden Improvements**

The Miami Beach Garden Conservancy has initiated efforts to achieve accreditation of the Botanical Garden through the American Association of Museums. To this end, the Conservancy has been working with the City of Miami Beach and the RDA to define the scope of capital improvements required to achieve this goal. The City identified approximately \$1.5 Million from Series 2000 General Obligation Bonds to undertake the improvements. In July, 2003, following an RFQ selection process, EDAW was selected to undertake the planning and design of the facility. The estimated cost to plan the improvements will be approximately \$86,000. A first design workshop was held in May 2004 and a second was held on September 21, 2004. A Final Concept Plan is expected in January 2005.

**Total Project Cost: \$1.5 million**

**CITY OF MIAMI BEACH  
MIAMI BEACH REDEVELOPMENT AGENCY ITEM SUMMARY**

**Condensed Title:**

A Resolution consenting to a modification of the Letter Agreement between the RDA, the City of Miami Beach and the Courts at South Beach, dated March 25, 2003, extending the closing date to December 31, 2004, subject to certain limitations and conditions and appropriating \$42,415.35 in available South Pointe Redevelopment Area Trust Funds towards improvements of the library space.

**Issue:**

On February 26, 2003, Miami Beach Redevelopment Agency (RDA) adopted Resolution 444-2003, authorizing the RDA to exercise it's option to purchase the 5,000 square foot space (the "Facility") within "The Courts" project (f/k/a The Cobb Project) and to contribute the Facility to the City of Miami Beach for uses including a library and such other public uses as permitted and as mutually agreed to by the parties. The RDA Board further approved a Letter Agreement Modification of Paragraph 4 of the Fourth Extension and Clarification Agreement (the Letter "Agreement") between the Miami Beach Redevelopment Agency, the City of Miami Beach and the Courts (Developer), setting forth the parameters for the RDA to exercise its option. Among the provisions of the Letter Agreement was an extension of time to close on the transaction by September 30, 2004. Due to certain scheduling conflicts as well as remaining Certificate of Occupancy issues, outside of the Developer's control, the parties have mutually agreed to extend the closing date to no later than December 31, 2004. Staff has subsequently drafted a Modification to the Letter Agreement, defining the terms for the proposed extension. A copy is included with the Commission Memorandum.

The Developer has also submitted a cost break-down associated with the build-out of the library space, for which the Developer is seeking reimbursement for certain costs outside of the scope of work, totaling \$27,215.25, which the Administration has reviewed and considers reasonable. In addition, pursuant to the Letter Agreement, the RDA must reimburse the Developer for costs associated with the design, preparation of construction documents and permitting, totaling \$15,200.10. The combined total due to the Developer is \$42,415.35.

## MIAMI BEACH REDEVELOPMENT AGENCY MEMORANDUM

**To:** Chairman and Members of the Board of the  
Miami Beach Redevelopment Agency

**From:** Jorge M. Gonzalez  
Executive Director 

**Subject:** **A RESOLUTION OF THE CHAIRMAN AND MEMBERS OF THE MIAMI BEACH REDEVELOPMENT AGENCY CONSENTING TO EXECUTE A MODIFICATION OF THE LETTER AGREEMENT BETWEEN THE MIAMI BEACH REDEVELOPMENT AGENCY, THE CITY OF MIAMI BEACH AND THE COURTS AT SOUTH BEACH LIMITED, A FLORIDA LIMITED PARTNERSHIP F/K/A COBB PARTNERS SOUTH BEACH LIMITED, DATED MARCH 25, 2003; SAID MODIFICATION EXTENDING THE CLOSING DATE ON THE LIBRARY FACILITY TO DECEMBER 31, 2004, SUBJECT TO CERTAIN CONDITIONS AND LIMITATIONS EXPRESSED THEREIN; AND FURTHER APPROPRIATING \$42,415.35 IN AVAILABLE SOUTH POINTE REDEVELOPMENT AREA TRUST FUNDS TOWARD IMPROVEMENTS TO THE LIBRARY SPACE.**

### RECOMMENDATION:

Adopt the Resolution.

### ANALYSIS:

On February 26, 2003, Miami Beach Redevelopment Agency (RDA) adopted Resolution 444-2003, authorizing the RDA to exercise its option to purchase the 5,000 square foot space (the "Facility") within "The Courts" project (f/k/a The Cobb Project) and to contribute the Facility to the City of Miami Beach for uses including a library and such other public uses as permitted and as mutually agreed to by the parties. The RDA Board further approved a Letter Agreement Modification of Paragraph 4 of the Fourth Extension and Clarification Agreement between the Miami Beach Redevelopment Agency, the City of Miami Beach, and the Courts at South Beach Limited, a Florida limited partnership f/k/a Cobb Partners South Beach, Ltd., dated July 26, 2000 (the "Letter Agreement"). The Letter Agreement which was executed on March 25, 2003, sets forth the parameters for the RDA to exercise its option and provided for the following:

- extending the timeframe for the closing of the transaction until September 2004, instead of within 180 days of March 31, 2003;
- delaying payment of the first installment in the amount of \$27,500 until the closing date in September, 2004, with each additional nine installment of \$27,500 to be paid on the anniversary date of the exercise of the closing of the transaction; and
- Allowing the Developer to remain in the facility and continue its Sales Center use until April 2004, provided that Developer perform the retrofit/build-out of the 5,000 square foot space, which is to be completed by September 2004, and at its sole cost, estimated to be approximately \$86,420.

On April 14, 2004, subsequent to extensive community input and support, the RDA Board authorized the Administration to commit the 5,000 square foot facility for use as a Library. Since this time, the Developer has proceeded to build out the space according to plans and specifications provided by the Miami-Dade County Library System, which upon completion, will include a computer facility, an expanded book collection, and a children's area for story-reading programs.

On September 23, 2004, the RDA and the Developer determined that due to conflicting schedules during the last week of September and first week of October, 2004, it would be within the best interest of the parties to extend the closing date to a mutually acceptable date in the future. On September 30, 2004, a meeting was held on-site with the Developer, representatives from the Library System and City staff to conduct a walk-through of the space, which received a TCO on October 1, 2004. Although the space has been completed, a full Certificate of Occupancy (CO), cannot be obtained until the Library System installs the shelving and furnishings, which is anticipated to occur during the first week of December, 2004. Once this happens, Accessibility can sign off on the permit.

Since the CO is not subject to a delay by the Developer, the Administration recommends extending the closing date to no later than December 30, 2004. This will also preclude the City from having to maintain the space until such time that the Library installs the furnishings and the CO is granted.

Staff has subsequently drafted the attached Modification to the Letter Agreement, which shall serve to modify and amend the understanding between parties with respect to the closing provisions stipulated on Page 2, Paragraph 7 of the Letter Agreement. The proposed modifications are as follow:

- The extension of time for closing the transaction is granted so that closing may be delayed until no later than December 30, 2004, instead of September 30, 2004.
- Developer acknowledges and agrees it will remain responsible for obtaining final CO upon Miami-Dade Library System's placement of furnishings within the premises, anticipated to occur around December 1, 2004.
- Closing of the transaction shall be contingent upon completion of improvements to the facility by the Developer and obtaining a final CO.

Pursuant to the terms of the Interlocal Agreement between the City of Miami Beach and Miami-Dade County dated June 20, 1986, the City is responsible to "pay all costs to relocate the library". As such, in March 2003, the City negotiated for the Developer to complete a substantial portion of the retrofit required by the Library in exchange for an extended closing date and their continued use of the space during said period. Accordingly, the Developer has furnished the RDA with a breakdown of costs and back-up for the build-out of the space, totaling \$112,858.35, a copy of which is included with this memorandum. While the retrofit/build-out of the space was the sole responsibility of the Developer, the scope was only to include demolition of the demising walls, installation of electrical lines, lighting, sprinklers, HVAC and conduits with pull strings for computer and data lines. However, in order to finish the space to meet the Library System's criteria as well as to address certain code and regulatory requirements, the Developer had to exceed

the defined scope and is seeking reimbursement for this work, in the amount of \$27,215.25. This additional scope included installation of a drop ceiling, new flooring and painting. It should be noted that the Developer was also seeking reimbursement for the installation of drywall, but subsequently agreed to incur the cost as part of the construction budget.

Pursuant to the terms of the Letter Agreement, the design, preparation of construction documents and permitting costs are the obligation of the RDA, at a total cost of \$15,200.10. As such, the Administration recommends appropriating a total of \$42,415.35 from available South Pointe Redevelopment Area Trust Funds, to reimburse the Developer for costs related to the build-out of the library space.

Re: Modification to Letter Agreement between the Miami Beach Redevelopment Agency, the City of Miami Beach, and the Courts at South Beach Limited, a Florida limited partnership f/k/a Cobb Partners South Beach, Ltd., dated March 25, 2003

Dear Mr. David:

Pursuant to our discussion on September 23, 2004, this Letter Agreement shall serve to modify and amend the understanding between the Miami Beach Redevelopment Agency (RDA), the City of Miami Beach, and the Courts at South Beach Limited, a Florida limited partnership f/k/a Cobb Partners South Beach, Ltd., (Developer), with respect to the closing provisions/or Library Facility (the Facility) stipulated on Page 2, Paragraph 7 of the above-referenced Letter Agreement, dated March 25, 2003.

It is hereby mutually agreed between the Parties that:

- The extension of time for closing of the transaction requested by the RDA is granted so that the closing on the Facility shall occur no later than December 30, 2004, instead of September 30, 2004.
- Developer has obtained a Certificate of Completion (CC) for the Facility, a copy of which is attached hereto, for the completion of the retrofit, and vacated the Facility. The City acknowledges and agrees that all obligations and requirements of Developer for construction and retrofit of the Facility have been met by Developer. The items required to obtain the final C.O. for the Facility are solely within the control of the City and Miami-Dade Library System. Developer acknowledges and agrees it will apply for the final C.O. upon written notice to make such application from the RDA/City. In the event the final C.O. is not obtained on or before December 30, 2004, for reasons other than Developer's failure to apply for same, the closing shall nevertheless take place as set forth herein, and the RDA shall hold Developer harmless from any liability, cost or expense associated with obtaining the C.O. If, and to the extent any additional construction and/or retrofit work is required to obtain the final C.O., the cost of such work shall be borne exclusively by the City.

- Payment of the first installment, in the amount of \$27,500, will be delayed until the closing date (to occur on or before December 30, 2004), with each of the additional nine installments of \$27,500 to be paid on the anniversary date of the closing of the transaction. Closing adjustments and prorations including, but not limited to, real estate taxes and condominium assessments shall be made as of September 30, 2004. In addition to the first installment of the purchase price, the RDA shall also pay in cash at closing the sum of \$42,415.35, which sum represents the cost of its share of the Facility improvements, as set forth in Exhibit 1.

Should you agree with the preceding terms and conditions of this Letter Agreement Modification, please have a duly authorized representative of the Courts at South Beach Limited, a Florida limited partnership f/k/a Cobb Partners South Beach, Ltd., acknowledge and execute in the space provided below. A fully executed copy will be provided to the duly authorized representative. All other terms and conditions of the Modification of Paragraph 4 of the Fourth Extension and Clarification Agreement, dated March 25, 2003, shall remain in full force and effect.

Re: Modification of Paragraph 4 of Fourth Extension and Clarification Agreement  
between the Miami Beach Redevelopment Agency, the City of Miami Beach,  
and the Courts at South Beach Limited, a Florida limited partnership  
f/k/a Cobb Partners South Beach, Ltd., dated July 26, 2000

Dear Mr. David:

This Letter Agreement shall serve to modify and amend the understanding between the Miami Beach Redevelopment Agency, the City of Miami Beach, and the Courts at South Beach Limited, a Florida limited partnership f/k/a Cobb Partners South Beach, Ltd., with respect to Paragraph 4 of that certain document entitled Fourth Extension and Clarification Agreement, dated July 26, 2000, with respect to the Agency's right to exercise its option to purchase the Library facility, as defined therein, and the parties' respective obligations thereto. The terms of this Letter Agreement shall only serve to amend and supplement Paragraph 4 of the Fourth Extension but, where in conflict therewith, the terms of this Letter Agreement shall prevail and govern the understanding between the Parties with respect to the Agency's option to purchase the Library Facility.

The Miami Beach Redevelopment Agency is exercising its option to purchase a 5,000 commercial condominium space located at 131 Alton Road, (the "Facility") in accordance with Paragraph 4 of that certain Fourth Extension and Clarification Agreement dated July 26, 2000 (the "Fourth Extension"), by and among the Miami Beach Redevelopment Agency (the "RDA"), the City of Miami Beach (the "City"), and the Courts at South Beach Limited, a Florida limited partnership f/k/a Cobb Partners South Beach, Ltd. (the "Developer"), as same is herein amended by the Parties thereto.

The Fourth Extension allowed for the RDA to purchase the commercial condominium space and contribute the space to the City of Miami Beach for use as a Library facility. The Parties also acknowledged that the intent to so utilize this commercial space for a library may no longer be feasible or desirable due to other library facilities that have been constructed in the general area and the inability or unwillingness of Miami-Dade County to allow and/or support the maintenance

of another library at the subject location. However, the Parties also recognized that there may be other public needs of the City that can be met through the acquisition of the Library space. As a result, the Parties agreed that the RDA shall have the option to obtain ownership of what was previously identified as the Library facility for any other public purpose, such as, but not limited to, a police sub-station or administrative fire or police office facilities, or such other public usage that is mutually agreed to by the Parties.

On February 26, 2003, the RDA Board adopted Resolution No. 444-2002, which authorized the acquisition of the space, provided that a pre-approved list of public uses be identified prior to the acquisition, and that terms be identified for the event that your organization is not able to vacate the space by September, 2004.

Therefore, a community meeting was held on March 13, 2003, during which the community indicated a preference for the entire 5,000 sf space to be utilized as a library facility.

This Letter Agreement shall also confirm your meeting with members of my staff on March 17, 2003, during which the following list of pre-approved public uses were identified:

- Public purposes outlined in the Fourth Extension and Clarification Agreement dated July 26, 2000 between the City, the RDA, and the Courts at South Beach Limited, a Florida limited partnership f/k/a Cobb Partners South Beach, Ltd., such as a police sub-station or administrative fire or police office facilities;
- Office space for cultural organizations and/or organizations which serve as arts incubators;
- A library facility.

The Fourth Extension stipulates that once the option is exercised, the RDA shall pay \$275,000 in 10 yearly installments starting with the first installment at the time of notice of exercise of the option, and each additional installment of \$27,500 is to be paid on the anniversary date of the exercise of the option. However, the Developer has requested to be allowed to remain in the facility which it is now using as a sales center and complete the build-out and close the transaction by September 30, 2004. Therefore, as part of the City and the RDA's agreement to allow the Developer the extended use of the facility, the first installment payment will be due on the closing date, September 30, 2004, with additional installments to be paid henceforth over the next nine years.

Also, the Fourth Extension states that the designated space was offered to the RDA "as is" and "where is". However, because the City will allow the Developer to continue using the space as its sales center until September 2004, the Developer agreed to perform the retrofit/build-out of the 5,000 square foot space by September 30, 2004, at its sole cost and expense as outlined below.

Therefore, the RDA's exercise of the option to purchase the facility is contingent upon the aforementioned and the following understandings between the Parties:

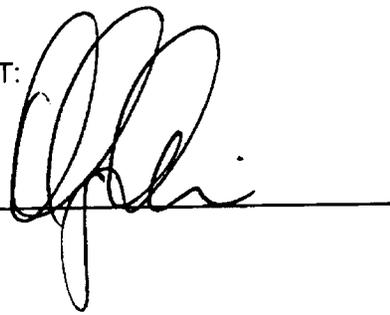

- An extension of time for the closing of the transaction is granted so that the closing may be delayed until September 30, 2004, instead of within 180 days of March 31, 2003;
- Payment of the first installment in the amount of \$27,500 is delayed until the closing date on September 30, 2004, with each additional nine installments of \$27,500 to be paid on the anniversary date of the exercise of the closing of the transaction;

- The Developer may remain in the Library facility and continue its sales center use until September 30, 2004, provided that the Developer performs the retrofit/build-out of the 5,000 square foot space, at its sole cost, pursuant to the attached permitted Lighting and Electrical Drawing #LE2, dated November 11, 1994, as modified, and which will also include three extra electrical drops, demolition of the demising wall, sprinklers, HVAC, conduits with pull strings for computer and data lines;
- Developer will procure the design, preparation of construction documents, and/or permitting fees and the City will pay the costs in connection therewith;
- If Developer's obligations have not been met by September 30, 2004, and the Developer has not achieved final completion of the retrofit and/or vacated, then from October 1, 2004 until Developer achieves final completion of the retrofit and vacates the space, a penalty in the amount of \$7,000 per month (equivalent to approximately \$17 per square foot annually) will apply.

Should you agree with the preceding terms and conditions of this Letter Agreement Modification, please have a duly authorized representative of the Courts at South Beach Limited, a Florida limited partnership f/k/a Cobb Partners South Beach, Ltd., acknowledge and execute in the space provided below. A fully executed copy will be provided to the duly authorized representative. All other terms and conditions of the Fourth Extension and Clarification Agreement, dated July 26, 2000, shall remain in full force and effect.

**RESOLUTION NO. 2004-25544**

**A RESOLUTION OF THE MAYOR AND MEMBERS OF THE CITY COMMISSION ADOPTING THE RECOMMENDATION OF THE CITY MANAGER AND AUTHORIZING THE ADMINISTRATION TO COMMIT THE 5,000 SQUARE FOOT SPACE WITHIN "THE COURTS" PROJECT (F/K/A THE COBB PROJECT) LOCATED AT 131 ALTON ROAD, MIAMI BEACH, FLORIDA, FOR USE AS A LIBRARY.**

**WHEREAS**, Miami Beach Redevelopment Agency Resolution No. 444-2003, passed and adopted on February 26, 2003, authorized the Executive Director to exercise the RDA's option to purchase the 5,000 square foot space (the "Facility") within "The Courts" project (f/k/a The Cobb Project) and to contribute the Facility to the City of Miami Beach for uses including a library and such other public uses as permitted and as mutually agreed to by the parties; and

**WHEREAS**, the existing South Shore Library Branch, located at 225 Washington Avenue, is intended to be relocated to the Facility at 131 Alton Road; and

**WHEREAS**, the developer of The Courts project (Developer) is currently utilizing the Facility as its sales center, while it is preparing to commence the retrofit/build-out of the Facility, which is to be completed by September 2004; and

**WHEREAS**, the Developer is seeking direction as to the final space configuration of the Facility, and concurrently, the Miami-Dade Public Library System has requested the City's commitment for an allocation of the entire Facility as a Library so that proper budgeting for the necessary books, materials, and computers may be secured; and

**WHEREAS**, during the February 26, 2003 Commission meeting, there was discussion concerning the possibility of utilizing the Facility as a Library, and for any other public purpose which would be mutually agreed to between the City/RDA and Developer; and

**WHEREAS**, during the February 26, 2003 City Commission meeting, the Administration stated it would be prepared to make a recommendation as the April 2004 date approaches and when the retrofit of the space needs to begin; and

**WHEREAS**, on March 13, 2003, a community meeting was held, during which the members of the public present indicated a preference for the entire Facility to be utilized as a Library; and

**WHEREAS**, on March 25, 2003, a Letter Agreement Modification to Paragraph 4 of the Fourth Extension and Clarification Agreement between the Miami Beach Redevelopment Agency, the City of Miami Beach, and the Courts at South Beach Limited,

a Florida limited partnership f/k/a Cobb Partners South Beach, Ltd. (Developer), dated July 26, 2000, was executed, which identified the following as "other public uses as permitted and as mutually agreed to by the parties":

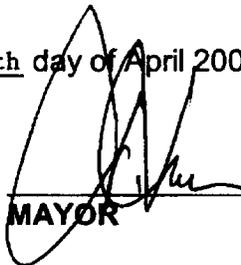

- Public purposes outlined in previous agreements such as a police sub-station or administrative fire or police office facilities;
- Office space for cultural organizations and/or organizations which serve as arts incubators;
- A library facility; and

**WHEREAS**, while the City Commission has requested the Administration to consider additional public purpose uses for the Facility, the Administration believes it is not in the City's best interest to retrofit the Facility for more than one use or for shared uses, for the following reasons:

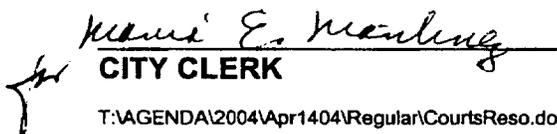

- Members of the community have expressed they prefer the Facility be purchased for the exclusive use of relocating and expanding the South Shore Library Branch. They do not support the sharing of the Facility between the Library System and other public purposes;
- The Miami-Dade County Library System has prepared a schematic plan for the library relocation and expansion utilizing the Facility which envisions more space for a computer facility, an expanded book collection, and a children's area for story-reading programs;
- The Facility is currently built for a single user with one set of restrooms and only minimal means of egress. Therefore, the permitting requirements of retrofitting the Facility to allow for a second occupant may result in additional restroom requirements and a requirement for an additional means of ingress and egress, which will substantially affect the retrofit cost and timeframe for construction.

**NOW, THEREFORE, BE IT DULY RESOLVED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA**, that the Mayor and City Commission hereby adopt the recommendation of the City Manager and hereby authorize the Administration to commit the 5,000 square foot space within "The Courts" project (F/K/A The Cobb Project), located at 131 Alton Road, Miami Beach, Florida, for use as a Library.

**WHEREAS**, the Letter Agreement sets forth the parameters for the RDA to exercise its option to purchase the Library Facility and generally provides for the following:

**WHEREAS**, on April 14, 2004, subsequent to extensive community input and support, the RDA authorized the Administration to commit the 5,000 square foot space for use as a Library Facility; and

- the extension of time for closing the transaction is granted so that closing may occur no later than December 30, 2004, instead of September 30, 2004;
- the Developer acknowledges and agrees it will remain responsible for obtaining final CO upon Miami-Dade Library System's placement of furnishings within the premises, anticipated to occur around December 1, 2004;
- closing of the transaction shall be contingent upon completion of improvements to the Library Facility by the Developer and obtaining a final CO; and

**WHEREAS**, the Developer has furnished the RDA with a breakdown of costs and back-up for the build-out of the Library Facility, totaling \$112,858.35; and

**WHEREAS**, while the retrofit/build-out of the Library Facility was the sole responsibility of the Developer, the scope was only to include demolition of the demising walls, installation of electrical lines, lighting, sprinklers, HVAC and conduits with pull strings for computer and data lines; and

**WHEREAS**, in order to finish the Library Facility to meet the Library System's criteria as well as to address certain code and regulatory requirements, the Developer had to exceed the defined scope and is seeking reimbursement for this work, in the amount of \$27,215.25; and

**WHEREAS**, pursuant to the terms of the Letter Agreement, the design, preparation of construction documents and permitting costs are the obligation of the RDA, at a total cost of \$15,200.10; and
